Dear Editor in Chief, IJICC

Thank you for the reply, we are very happy to see the editor's response to the article we wrote. We will immediately make payments as soon as possible, but there are things we need to consult, namely whether the name of the author in the journal to be published can be added, because there are contributors who have an important role and we need to input into the author's composition.

Best regards  
 Dr. Suwito Eko Pramono
