Dear Editor,

With reference to above, please find my submission of paper for possible publications in International Journal of Ecology & Development.

I have read the "Author Instructions" of International Journal of Ecology & Development. I hereby affirm that the content of this manuscript are original. Furthermore it has been neither published elsewhere fully or partially or any language nor submitted for publication (fully or partially) elsewhere simultaneously.

Also I declare that "It has not been published before, and it is not under consideration for publication in any other journals. It contains no matter that is scandalous, obscene, fraud, plagiarism, libelous, or otherwise contrary to law. I/we followed the Journal's adopted "Publication ethics and malpractice" statement which given in journal's website in About section and we will be answerable for the correctness (or plagiarism) and authenticity of article."

I affirm that the all authors have seen and agreed to the submitted version of the paper and their inclusion of name(s) as co-author(s).

Best Regard
Margareta R

Dear Author,

This is to acknowledge that we have received your manuscript. Upon receiving the referees' reports, we shall inform you of the editorial decision with regard to your manuscript.

At present, reviewer takes 9 weeks time in review process.

(Option) Do you wish for fast track review in 3 weeks ? If so, please use attached form otherwise ignore this.

Kindly use the above given Reference number in all your future inquiries about your manuscript.

Please revised your manuscript:

► Size of introduction and backgrounds are too lengthy due to previous works of others/unrelated

material. Authors need take care for plagiarism, any type (if any) of plagiarism should be removed from the paper. Because as per international copy-right law and plagiarism, one need to take a written permission from publisher/author if want to carry either an equation or few words of text from other's works. Other-wise this may be considered as a plagiarism or violation of copy-right.

► Discussion and Conclusions are very general and not concrete. The author needs to explain their result with explanations and show the significance as a separate conclusion. The importance, applications and significance should be given by the author.

- ▶ Send us final version of paper with updated references in the paper. Also cite some related papers from CESER PUBLICATIONS Journals and give complete details in "Reference" section.
- ▶ Give the **Mathematics Subject Classification Number** and **Journal of Economic Literature (JEL) Classification Number**, **if not given in your paper**. You can find out your **Mathematics Subject Classification Number** and **Journal of Economic Literature (JEL) Classification Number** at: <http://www.ams.org/msc/classification.pdf> and <http://www.aeaweb.org/econlit/jelCodes.php?view=jel> .
- ▶ Please check the typographical errors in the final version of your paper.
- ▶ revised the paper in **Journal format** (attached with this).
- ▶ Send it with filled "**Copyright Transfer Agreement (CTA) Form**" and "Author's Declaration". till **20 December 2015**.
