Dear Editor,

I have revised (the Acknowledgement section) and completed proofreading the final proof for my manuscript. The final proof is now ready to have any final corrections made by the Proofreader and Layout Editor. Please kindly find the attached revised file and proceed to further process.

Thank you for your concern.

With best regards,  
Margareta Rahayuning Sih

Dear Chief of Editor.

Please accept my apology for the late response.

I have confirmed that no revision needed in the final proof and I will pay the publication charge tomorrow because we had national holidays from 28 October until 1 November 2020.

Best regards.

Margareta
