5	5 September 2017		5 September 2017	Consulting thesis proposal starts from background, concepts, and methodology	Reformulate the research questions and objectives.	✓
6	19 September 2017		19 September 2017	Consulting the full draft of thesis proposal and consulting the research instrument	Revise as suggested.	✓

7	10 Oktober 2017	2	16 Oktober 2017	Consulting full draft of proposal thesis. Consulting the research questions and theoretical framework.	Revise as suggested in the proposal draft.	✓
8	30 Oktober 2017	2	1 November 2017	Revising full draft of proposal thesis that will be proceeded to the proposal examination	Proposal draft has been accepted. Go for a proposal examination.	✓
9	4 Januari 2018	1	8 Januari 2018	Instrument for collecting data. There are some suggestions for the instrument 1. Avoid yes/no questions 2. Make sure you keep in mind your research questions and theoretical frameworks in mind when formulating the interview questions 3. Plan (and later report in Ch 3) to ask during post-teaching interview questions emerged/pop up in your mind when observing the teaching 4. Specify how long each interview will approximately take place and you have to have sound answers why that amount of time. There are some revisions: 1. Whether it is singular or plural form of discussion 2. How to write in text citation from the internet source based on APA style 3. The	Great notes. All the best for your data collection.	✓
10	4 Maret 2019	1	7 Maret 2019		Carefully address each of my feedback.	✓

11	2 April 2019	1	4 April 2019	<p>use of "I" rather than researcher 4. Categorizing findings into some sub heading supported with data 5. The rule of writing sub heading need to be revised based on APA style 6. the writing needs to be revised</p> <p>There are some aspects need to be revised: 1. In the quotation of teachers' statement, mention the source of data, whether it was taken from interview or questionnaire 2. Make sure to add the explanation of each teachers' statement 3. Some tables need to be translated to English, not written in Bahasa Indonesia 4. Rethink about the limitation of the study, what limitation found in the research, it can be data. 5. Use formal language in presenting the data and writing 6. Revise and edit the writing carefully 7. Prepare chapter 1-3</p> <p>There are some aspects need to be revised 1. Some of citation need to follow the APA style since it was found there are so many citation did not follow APA style</p>	Great notes! Follow up! 
12	27 Mei 2019	1	11 Juni 2019	<p>Citation need to follow the APA style since it was found there are so many citation did not follow APA style</p>	Carefully address each of my comments! 

		2. There are some repetitive words found in the draft that need to be revised 3. The placement of sub topic need to be edited (method of collecting data should be mentioned first then instrument of data collection 4. Some writing need to be revised 5. To be more carefull in writing the draft	
4	5	Consulting chapter 1-chapter 4:research questions and research objectives, and writing style based on APA style	Refine a bit the research objectives. Use APA 6th edition for your referencing guide ✓
13 September 2019	September 2019		
17	17	Consulting the whole chapter, checking the APA style	Whole draft has been accepted. Continue writing the manuscript. ✓
14 September 2019	September 2019		
18	18	Consulting thesis manuscript	Refer to the article template. ✓
15 September 2019	September 2019		
19	20	Overall checking of the thesis and journal article	Manuscript has been accepted. ✓
16 September 2019	September 2019
