Dear Author/s,  
Ref: LdesV, Computer-operated video: overcoming students' difficulties in understanding automotive starting system

Thank you for uploading the final version of the paper and the author agreement. However, the agreement does not show the names of all the authors. Please note that copyright forms must have every author's name listed above the title of the paper even if there is only one signature on a copyright form and the other authors have sent separate ones. All authors' names must appear on every form with separate signatures and likewise if all signatures are on one form then all authors' names must also be there.

Thus, the upper part of the form should read as:

Dwi Widjanarko, Abdurrahman, Wahyudi, Herminarto Sofyan and Herman Dwi Surjono  
LdesV, Computer-operated video: overcoming students' difficulties in understanding automotive starting system  
Int. J. of Innovation and Learning

Kindly re-upload/send the corrected copyright form. Please use the attached blank form.

Best regards,
