REVISI JUDUL YANG MASIH MENGALAMI TYPO

Dear Editor of IJI,

I am glad to know that our manuscript has been published in the online-first version. However, I found a typo in the article's title. The title should be "Psychoeducation Group using Modeling with Islamic Values Teaching: Effect on Students' Academic Integrity," but the title of the article is written as "Phychoeducation Grop and Effect on Students Academic Integrity." The typo is significant so I expect the Editor of IJI can make the needed revision.

Thanks for your attention and cooperation.

Best regards,

Dr. Anwar Sutoyo.

Dr. Sutoyo,

You changed the title according to the demands of the reviewers after the reviewer review. And the referees accepted your article for publication with this last title. You want to replace the title with the first title. You are completely changing the title. We do not find this correct as our editorial policy. We can not, so sorry.

Dear Editor,

It is OK if the title is changed in accordance the reviewer feedback. But, this title "Phychoeducation Grop and Effect on Students Academic Integrity" still has typo. The title should be "Psychoeducation Group and Its Effect on Students' Academic Integrity." I hope the title still can be fixed. Thanks for your cooperation.

Best regards,

Dr. Anwar Sutoyo
