Dear Hasan Mukhibad,

thank you for sending the revised version of your manuscript "*THE ROLE OF THE AUDIT COMMITTEE AND EMPLOYEE WELL-BEING IN CONTROLLING EMPLOYEE FRAUD*". I appreciate your attention in addressing the report's comments. The final revisions of your paper are acceptable.

In this regard, the editorial team would like to propose you two publication options:

1) The journal [Corporate Board: Role, Duties and Composition](#)

In this case, your paper may be published within a week. The journal is indexed by influential international databases, i.e. ANVUR, ERIH PLUS, NSD Database, AIDEA, SIDREA, BASE, Cabells, Pubindex, Ulrichsweb, and others. However, the journal isn't currently Scopus-indexed. We have applied for the Scopus-indexation and are waiting for the decision of the Scopus team. Perhaps, by the end of the year the journal will be Scopus-indexed, and then all the papers published in 2022 will be Scopus-indexed too. However, I can't guarantee it for sure at the moment.

2) The **Journal of Governance and Regulation**. In this case, your paper may be published in September-October 2022. You'll receive an [acceptance letter with an actual date](#) (May 2022) in case you need it for your university.

Please let me know your decision so that we may send you the corresponding acceptance letter for your paper and the link for payment.

Kind regards,

**Olha**
