Dear Editor,

Thank you for the acceptance.

I propose some corrections related to my manuscript.

1. The name and affiliation of co-author in the manuscript and (probably in metadata) Mohamad Hisyam Ismail (in metadata it was MOHAMMAD Hisyam Ismail) Science Education Department, Faculty of Education, Universiti Teknologi MARA, Puncak Alam Campus, Selangor, Malaysia
2. Some additional text on page 471, to explain the equation.

"where P is the percentage of the correct answer, f is the frequency of student answers, and N is the number of students."

Again, thank you for the opportunity.

Sincerely,
